

APCFT

ASIA PACIFIC CONFERENCE ON FETAL THERAPY

16 - 18 April 2016

NUHS Tower Block, Singapore

Organised by

NUHS
National University
Health System

Nominal Sponsors

WHO SHOULD REGISTER?

In collaboration with The Chinese University of Hong Kong and Mediscan (India), we are pleased to present this multidisciplinary symposium for maternal-fetal medicine specialists, geneticists, obstetricians, paediatric surgeons, radiologists, neonatologists, genetic counselors, nurses and sonographers. This educational symposium will also highlight the fetal therapy advances in maternal-fetal care.

Take advantage of our Early Bird Special Rate and secure your place at the highly anticipated 3-day **APCFT** now! Early Bird Special Rate ends on **29/02/2016 at 11:59PM**
